## Action Taken Report Based on Teachers Feedback 2019-20

The feedback from teachers for the academic year 2019-20 has been reviewed to identify areas needing improvement and address their concerns.

SL.NO	suggestion	Action taken
1.	Consider integrating smart classrooms to enhance interactive and tech-driven learning experiences.	Integrated smart classrooms by installing interactive displays and advanced multimedia equipment. Additionally, we provided training for educators
2.	Provide computers for the department to support our academic and research activities.	Provided computers for the department to support academic and research activities by acquiring new hardware and setting up dedicated computer labs.
3.	Ensure clear and timely communication with faculty regarding updates, changes, or issues.	Implemented a system for clear and timely communication with faculty using regular emails, dedicated communication channels, monthly meetings, an online portal, and SMS alerts. These methods ensure all updates, changes, and issues are promptly communicated.
4.	ICT-enabled classrooms are preferred	Implemented ICT-enabled classrooms to enhance learning and teaching experiences by installing interactive whiteboards and providing high-speed internet access.
5.	Need some improvement in learning resources to support student success.	Enhanced learning resources to support student success by updating digital libraries and increasing access to online educational tools.
6.	COVID-19 pandemic; students excelled academically, but their extracurricular activities were hindered.	Introduced virtual clubs and online events to engage students. Additionally, we implemented flexible scheduling for in-person activities as conditions improved.
