WEBINAR ON "IMPORTANCE OF SOFT SKILLS IN PROFESSIONAL AND PERSONAL LIFE AND JOB OPPORTUNITIES IN CURRENT MARKET SCENARIO"

IQAC in collaboration with The Department of Geology at Assabah college conducted a webinar on “Importance of Soft Skills in professional and personal life and job opportunities in current market scenario” on 14th June 2021 in association with Training & Placement Cell of AVODHA E- learning. Ms.Suhaila Hashim was the Facilitator of the webinar. The webinar was attended by 98 Students from second year and third year Geology. The motive of the webinar was to make the students to aware the forthcoming Training Sessions. The session opened with introducing the realities of the industry; the serious skills gap & shortage found in the industry, which were evident through various surveys & statistics. Along with explaining the role of Soft Skills in professional life, she illustrated how to acquire these skills which are crucial for professional as well as personal development. The entire session being very interactive, students took part actively throughout the session.

WORLD FOOD DAY CELEBRATION

IQAC in collaboration with The Food Technology Department at Assabah Arts and Science College commemorated World Food Day on October 16th with a series of engaging online competitions for students. These competitions were designed to raise awareness about global food issues, promote sustainable food practices, and celebrate the importance of food security. Students participated in various activities, including cooking competitions, recipe contests, food photography challenges, and quizzes focusing on food-related topics. Through these online events, students had the opportunity to showcase their culinary skills, creativity, and knowledge of food technology while learning about important issues surrounding food production, distribution, and consumption. The celebrations not only fostered a sense of

community among students but also emphasized the vital role of food technology in addressing global food challenges.

5 DAYS FACULTY DEVELOPMENT PROGRAMME ON “RESEARCH METHODOLOGY”

IQAC of Assabah Arts and Science College organized a 5days FDP program on “RESEARCH METHODOLOGY” . The program was conducted on 14/09/2021 to 18/09/2021, at College auditorium.
