GROUNDWATER RECHARGE: AN ARTIFICIAL SCENARIO

IQAC in collaboration with Department of Geology hosted a seminar on “Groundwater Recharge: An Artificial Scenario” with Mr. K.V. Mohanan as the chief guest on November 29, 2022. The event, which included the inauguration of the “Archipelago” club and the release of its logo, focused on the importance of artificial groundwater recharge methods in addressing water scarcity. It covered various techniques, technological advancements, and the role of community involvement. The seminar also featured a felicitation ceremony for students with outstanding academic achievements in geology. Overall, the event highlighted key groundwater management strategies and celebrated academic excellence.

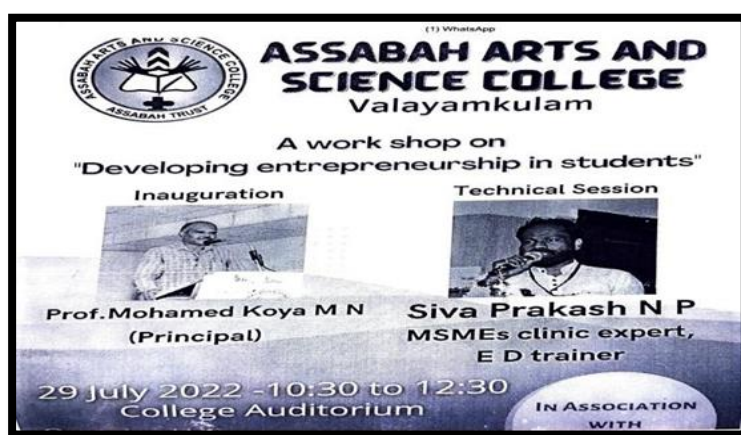

OLD AGE HOME VISIT

On 20 December 2022, IQAC in collaboration with Department of Geology visited an Old Age Home to promote student empathy and community service. The event featured interactive sessions where students conversed with residents, and organized activities such as games, musical performances, and art sessions. The visit allowed students to gain insight into the lives of the elderly and helped combat feelings of loneliness among residents. The Department is committed to continuing such outreach efforts to foster social cohesion and empathy.

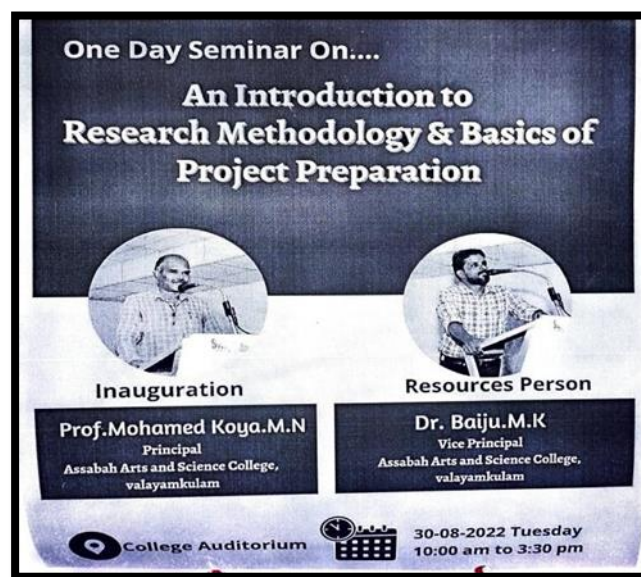

WORKSHOP OF E D CLUB EMPRESSARIO

IQAC in collaboration Program of PG Department of Commerce & Management of this Academic Year started with a Workshop of E.D Club “EMPRESSARIO” On 29th July 2022 on the Topic of Developing Entrepreneurship among Students. The Program was inaugurated by College Principal Prof. MOHAMMED KOYA.M. N and Technical Session was handled by SHIVA PRAKASH.MP, M.S.M.E Clinical Expert and ED Trainer.

SEMINAR ON INTRODUCTION TO RESEARCH METHODOLOGY AND BASICSOF PROJECT PREPARATION

IQAC in collaboration with PG Department of Commerce Management and Studies Conducted a One Day Seminar On “**Introduction to Research Methodology and Basics of Project Preparation**” For Final Year Student on 30th August 2022. The session was handled by Dr.Baiju.MK. The purpose of this program was to help the students to prepare project report, to select topic and how to analyze data. All final year students have participated in this program.

SEMINAR PRESENTATION- FOOD SAFETY AND STANDARDS ACT-APRACTICAL SCENARIO

IQAC in collaboration with Department of Food Technology conducted a seminar on **Food Safety and Standards Act-A Practical Scenario** on 20 October 2022. Honorable Principal inaugurated the seminar section on 20/10/2022, 10:00 A.M. Kottakkal area Food Safety Officer, namely Miss. Deepthi. U. M was the resource person. The seminar started with a discussion on recent food safety issues and related deaths at Kasargode due to the sale of contaminated foods from restaurants. She convinced students about the importance of food safety practices like hygiene (personal & premises), best practices while working at a food processing area, proper cooking conditions, awareness about hazards, cross contamination chances, packaging of foods and proper storage conditions required for foods for a better shelf stability.

After that, Food Safety and Standards Act was discussed in detail.

It is an act to consolidate the laws relating to food and to establish the food safety and standard authority of India for laying down science-based standards for articles of food and to regulate their manufacture, storage, distribution, sale and import, to ensure availability of a safe and wholesome food for human consumption. It was a very useful session for our food technology students, because their future lives are in food industries, restaurants etc. through this class they were able to gain good knowledge about FSSA. The seminar ended around 1pm.

FOOD FEST GAZPACHO

IQAC in collaboration on 13/02/2023, the PG Department of food science & technology and entrepreneurship club of Assabah arts and science college, Valayamkulam conducted a food fest titled “GAZPACHO” at college auditorium. The event was a great success in terms of wide variety of food items and creative decoration of stalls from our students. There was a total of 7 stalls such as “innovative foods, traditional foods, candies and preserves, meat products, dairy products, soups, dessert” It was a fine learning experience for the student organizers to acquire entrepreneurial skills. This helped the students to learn teamwork, collaboration, and creativity. The idea behind the competition was to teach students to be good entrepreneurs in the future. The inauguration was done by Mohammed Unni haji, General secretary of Assabah arts and science college in the presence of special guest foodie muscle man (food vlogger), prof Mohammed Koya. Principal of Assabah, faculties of PG Department of food science and technology. The programme started with the judgment of stalls by faculties from Assabah College in the college auditorium around 10am. The prize was decided by presentation of the stalls

Every stall did well, and the students worked hard for the fest. The program came to an end at 4 pm with a violin performance of Abhin.
