EMPLOYER FEEDBACK ACTION TAKEN REPORT 2023-24

SL.No	Suggestion	Action taken
1	Include some relevant courses in the curriculum will additionally benefit future students.	integrated courses like G-Tech, and Swayam NPTEL. Additionally, BA economics.
2	Enhance placement opportunities for graduated students.	Collaborated with leading companies for exclusive recruitment drives, organized regular job fairs and networking events,
3	Skill development program suggestion	Implementing a skill development program will enhance students' employability by focusing on practical skills. This program should include industry-specific training, workshops on emerging technologies, and soft skills development sessions.
4	Internship opportunities,	Partnered with the Common Facility Service Center (Rubber) to offer tailored internships for Food Technology and Chemistry students, with a streamlined application process.
5	Career Services	Introduced Employer-led resume review and mock interview sessions, organized workshops on job search strategies, and developed a career advisory platform featuring alumni insights and industry trends.
