ANNUAL REPORT 2023-2024

INDEX

SL NO	DATE	PROGRAM
1	14-07-2023	Chandrayan launch live stream
2	02-08-2023	Exhibition-Web Through Years
3	04-08-2023	Seminar-Cyber security
4	01-10-2023	Workshop on Cyber security and Ethical Hacking
5	25-10-2023	extension Program-Artificial Intelligence
6	13-12-23	Extension Program-Cloud computing
7		
8	22-01-24	Workshop on Flutter
9	25-01-24	Seminar on IOT
10	26-02-24	IT Fest-CONQUERO

Name of the Program : Chandrayan launch live stream

Date and Time	14-7-2023
Organized by	Department of Computer Science and Applications
Target and Participants	All students of Department
Venue	Conference Hall

OBJECTIVES

Provide an outlet for the expression of creativity and the sharing of skills and experiences. A follow-on mission to Chandrayaan-3 to demonstrate end-to-end capability in safe landing and roving on the lunar surface.

DETAILS OF PROGRAM

Department of computer science and applications associated with IT club in collaboration with IQAC proudly conducted live streaming event-CHANDRAYAAN 3 on July 14th at conference room .All students from BCA and BSc.CS participated in the event.

Name of the Program: Exhibition - web through years

Date and Time	02-08-23
Organized by	Department of Computer Science and Applications
Target and Participants	All students of Computer Science and Applications Department
Venue	Computer Lab

OBJECTIVES

To encourage the students to recollect the basics of history of computers
To give the students an overall idea of the current technology
To make the student aware about the current trends and technologies in computer science

DETAILS OF PROGRAM

Department of Computer science and applications in association with IT club conducted a exhibition-Web through years as a part of "World Web Day" on August 2nd 2023 monitored by IQAC in computer lab. Final year BCA students hosted the exhibition and all students in the department became a part of the program.

Name of the Program: Seminar on Cyber Security

Date and Time	04-8-2023
Organized by	Department of Computer Science and Applications
Target and Participants	All students
Venue	Computer Lab

OBJECTIVES

Bring out situational analysis-based work of students and develop their ability to think out of the box. This will also help the students to gain expertise on the topics and therefore enhance their knowledge and learning.

DETAILS OF PROGRAM

Department of computer science and applications in association with REDTEAM HACKER ACADEMY presented a seminar on "Cyber Security" on 4th august 2023 at conference hall monitored by IQAC.All students in the department participated for the presentation.

Name of the Program: Workshop on Cyber security and Ethical Hacking

Date and Time	01-09-2023
Organized by	Department of Computer Science and Applications
Target and Participants	Final year students of Department of Computer Science and Applications
Venue	Computer Lab

OBJECTIVES

To provide students a platform where they can share their knowledge on current trends in Information Technology. To facilitate self-assessment by identifying an individual's interests, values, skills, personality traits, and motivations.

DETAILS OF PROGRAM

Department of Computer Science and Applications in association with TECHBYHEART conducted a workshop on CYBER SECURITY AND ETHICAL HACKING on 1th September 2023 at 10:00 am in computer lab by the resource person Mr.Rohith N , Cyber security Analyst. All final year BCA and CS students participated in the workshop which was monitored by IQAC.

Name of the Program: Extension program-Artificial intelligence

Date and Time	25-10-2023
Organized by	Department of Computer Science and Applications
Target and Participants	Final years of Computer Science and Applications Department
Venue	Govt. technical High School Kokkur

OBJECTIVES

To provide students a platform where they can share their knowledge on current trends in Artificial Intelligence.

To facilitate self-assessment by identifying an individual's interests, values, skills, personality traits, and motivations.

DETAILS OF PROGRAM

The department organized a Career guidance program as a part of IT Club inauguration program for the students of our department. The students got an opportunity for self-exploration; understand their interests, strengths, and passions, leading to increased job satisfaction. It aligns personal goals with professional aspirations, ensuring long-term career success and happiness.

Name of the Program: Extension program

Date and Time	13-12-2023
Organized by	Department of Computer Science and Applications
Target and Participants	All students of Computer Science Department
Venue	MTM college of arts, science and commerce,Veliancode

OBJECTIVES

This provides strong practical orientation to the teachers and helps them in building and improving their skills in communication, the effective use of English, business correspondence, presentations, team building, leadership, time management, group discussions, interviews, and inter-personal skills.

DETAILS OF PROGRAM

MTM college of arts, science and commerce,veliancode ,Department of computer science honored SUBI k, Asst.Prof, Department of Computer science and applications, Assabah arts and science college,valayamkulam for her presence as the resource person for the seminar on "**cloud computing**" on dec 13th 2023.

Name of the Program: Workshop on Flutter

Date and Time	22-01-2024
Organized by	Department of Computer Science and Applications
Target and Participants	Final Year students of Computer Science and Applications Department
Venue	Computer Lab

OBJECTIVES

This provides strong practical orientation to the students and helps them in building and improving their skills in communication, the effective use of new technology in the field of development

DETAILS OF PROGRAM

Department of computer science and applications organized a workshop for students. It was conducted by Mr.Sinan TM, career planner, instructor,LEVELx Learning LLP on 22nd Jan 2024 at computer lab.

Name of the Program: Seminar on IOT

Date and Time	25-01-2024
Organized by	Department of Computer Science and Applications
Target and Participants	All students of Computer Science and Applications Department
Venue	Conference Hall

OBJECTIVES

This provides strong practical orientation to the students and helps them in building and improving their skills in communication, the effective use of English, business correspondence, presentations, team building, leadership, time management, group discussions, interviews, and inter-personal skills.

DETAILS OF PROGRAM

Department of computer science and applications in association with Aitrich Technologies conducted a seminar on IOT by Hamzath Sufide P S at conference Hall monitored by IQAC

Name of the Program: Department IT Fest-CONQUERO

Date and Time	26-02-2024
Organized by	Department of Computer Science and Applications
Target and Participants	All students
Venue	Conference Hall,Computer Lab,Exhibition Hall

OBJECTIVES

It gives a platform to young brains to showcase their innovative ideas and compete with their peers.

The main objective of the program is to promote innovative thinking and practical skills through real life technological projects.

CONQUERO the technical fest is an amalgamation of fun and learning where spectacular ideas are displayed,

DETAILS OF PROGRAM

Department of Computer Science and applications conducted IT fest on 26 th Feb 2024. Various events such as VR, HOLOGRAM, DOLBY STEREO, GAMES, Robotics exhibition Quiz Competition were conducted. Students from various Departments participated.
