ASSABAH ARTS AND SCIENCE COLLEGE VALAYAMKULAM

DEPARTMENT OF COMPUTER SCIENCE AND APPLICATIONS

ACTIVITIES 2019-2020

1. Course Orientation Program

Department organized a one-day 'COURSE ORIENTATION PROGRAMME' for the first year students of Computer science department on 26 September 2019. Mrs.Safira EM, Head of the Department led the session. This course could refresh the basic technical ideas of students and got awareness about the relevance and future of the courses BCA and BSc. Computer Science.

2.Soft Skills Development Program

- Department organized a Soft Skills development program to enhance the students' personalities. They get to realize that punctuality, goal management, collaborative team skills, and listening skills, are important facets of a well-rounded personality. These soft skills are enormously valued in business organizations. As employment conditions become tougher, potential recruiters look for personal attributes like attitude and values.

3.Career guidanceProgram and Professional Orientation

The department organized a Career guidance and professional orientation program for the students of our department. The students got an opportunity for self-exploration, understand their interests, strengths, and passions, leading to increased job satisfaction. It aligns personal goals with professional aspirations, ensuring long-term career success and happiness.

4.IT FEST

Department organized an IT FEST named 'TECHGLANZ IT FEST 2020' on February 25 2020.The programme highlighted exhibition,digital coding,digital painting,ardino project,robot,hologram,VRbox, several gaming copetitions and IT Quiz competition
