1	FINAL YR FIELD VISIT	26/02/21

PROGRAMME REPORT

Academic year 2020-2021

1. Name of the Programme : **Field trip**

Date and Time	26/02/2021 to 05/03/2021
Organized by	Department of Geology
Participants	Final year geology students
Venue	Different sites of kerala

Department of Geology conducted field visit for final year BSc geology students (2018-21) on 26th February 2021 & it lasts for 4th March 2021, covering geologically important locations of Kerala. The Department of Geology organized a comprehensive geological field visit to various locations aimed at providing practical exposure and hands-on learning opportunities to students and faculty members. The geological field visit to various locations organized by the Department of Geology was highly beneficial and enriching for all participants. It provided valuable insights into the geological heritage and resources of each region while fostering collaborative learning and networking among students and faculty members. Such field visits are instrumental in shaping the knowledge and skills of future geologists and contribute significantly to the advancement of geological science.
